## EXECUTIVE SUMMARY

1. In November 2010, the Liberia AML/CFT Regime went through mutual evaluation by GIABA, a specialized regional institution of ECOWAS. The report which was adopted by GIABA Plenary in May of 2011 identified many deficiencies. Among the deficiencies identified were lack of FIU, lack of AML/CFT Inter-Ministerial and Inter-Agency Coordinating Committees; lack of AML/CFT National Strategy, lack of effective AML/CFT legislation, lack of effective AML/CFT regime, etc. Consequently, the report recommended that the Liberian Authority takes appropriate actions to mitigate these deficiencies. Liberia was placed under the regular Expedited Follow-Up and was advised to report every one year.

2. Cognizance of the deficiencies and recommendations, the Liberia Authority has taken the following actions in an attempt to mitigating these deficiencies:

- Established AML/CFT Inter-Ministerial Committee in 2011 and the Committee has been very much functional in addressing the deficiencies and recommendations.
- Established AML/CFT Inter-Agency Coordinating Committee in 2011 and has been very functional.
- Completed AML/CFT legislation which took into consideration all the deficiencies and recommendations in the mutual evaluation report. Currently, the AML/CFT legislation has been passed by Senate and is in the Lower House for concurrence. The Lower House has given the assurance that the legislation will be passed before the May Plenary.
- Completed the law establishing the FIU and is currently at the Lower House for concurrence after being passed by the Senate.
- Negotiation for the housing of the FIU is on-going.
- Adopted the AML/CFT National Strategy and is being implemented.
- To ensure political will, the Liberia Authority allotted in its 2012/2013 budget, an initial US\$ 40,000.00 for the operation of the AML/CFT Inter-Ministerial Committee. This amount will be increase in 2013/2014 budget.
- AML/CFT Inter-Ministerial Committee developed its 2013 workplan with the objectives of ensuring AML/CFT compliance, sensitization, awareness, and effective AML/CFT Regime.
- Nation-wide Sensitization and awareness has commenced. On December 27-28, 2012, the AML/CFT Inter-Ministerial Committee conducted AML/CFT Sensitization and Awareness Workshop for all stakeholders.
- On March 21-22, 2013, the AML/CFT Inter-Ministerial Committee conducted two-day AML/CFT Compliance workshop for financial institution and its regulatory authority.
